A Payroll Solution

Do you need one. We can offer solutions for any size of business.

Outsourcing – Let us become your payroll department. The range and scope of the various services that we offer will allow you to choose the perfect solution for your business, Fax-in, Post, E-mail or telephone your information to us.

Bureau Service – You want to keep control of your payroll whilst outsourcing all of the more mundane work, then our bureau service will satisfy your requirements. The bureau service can, at its most simplistic, only involve faxing or e-mailing payroll change data to us. In either case we can provide all legislative output documentation, tailored reports and payment of employees via the BACS system.

In-House – If you want to have full control of your payroll then we have software solutions available.

If you feel any of these may be useful or if you would like further information please contact Julie, Emma or Sarah on 01229 820390.
